TRISHIA KYLE BAGTAS

Bachelor of Science in Information Technology with a specialization in Mobile and Web Application

PROFESSIONAL SUMMARY

Fourth-year BS Information Technology student specializing in Mobile and Web Applications with hands-on experience transforming ideas and user needs into functional digital solutions. Experienced in AI-assisted development, rapid prototyping, UI/UX design, system integration, testing, and iterative improvement through projects involving interactive learning, digital storytelling, and management systems. Brings a practical problem-solving approach together with leadership, collaboration, project coordination, and documentation experience.

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

2025 – 2026 (3rd Year) | NU Literates Community

President

- Led the planning and implementation of academic, organizational, and technology-related student activities.
- Coordinated with officers, committees, faculty members, students, and other stakeholders.
- Oversaw event documentation, logistics, schedules, promotional materials, and organizational requirements.
- Assisted in preparing proposals, sponsorship letters, certificates, publication materials, and official documents.
- Helped organize activities including TechFest/TechTober, WebCamp, TatagBulldogs, BSIT Week/Techlaton, and Study Jam.

2024 - 2025 (2nd Year) | NU Literates Community

Executive Secretary

- Prepared meeting records, official communications, schedules, and organizational documents.
- Assisted executive officers in coordinating meetings, academic activities, and administrative requirements.
- Maintained proper documentation and helped communicate information among officers and members.
- Supported the preparation and organization of event-related documents and records.
